

ARMED SERVICES YMCA

NATIONWIDE MEMBERSHIP

Nationwide Membership is an added benefit allowing active members to visit Ys across the United States and Puerto Rico. Here are a few tips and guidelines to know before you go:

- Before you travel, contact the Y you intend to visit to confirm that it is still one of the more than 2,600 locations that participate in Nationwide Membership.
- You must have an active membership to be eligible for Nationwide Membership.
- On average, **at least 50% of your monthly visits must be to your Home Y** (the local association that enrolled you and collects your membership dues).
- If you have known periods of travel (when you will not be using your Home Y at least 50% of the time or will be a resident of another area for more than 28 days), you will need to **contact your Home Y and place your membership on hold**. If you need to cancel your Home Y membership, email DODYMCA@asymca.org and the ASYMCA will process the cancellation.
- **Memberships are NOT transferable** from a Home Y to any other Y.
- Nationwide Membership is **based on individual usage** NOT total visits by all members on a family membership.
- There is NOT a centralized system for Ys nationwide to track attendance. **Members MUST request an attendance report from the Visiting Y** and submit it in addition to the attendance report from the Home Y.
- YMCAs require a photo ID for all visitors. Please bring a photo ID with you.
- You will be asked to sign a waiver when visiting other YMCA locations.

Nationwide Membership helps you reach your health and wellness goals wherever you live, work or travel, and just one way we help strengthen military families and communities.
